18/44 DREAMBOULE

The image displays three distinct rings from the 'DREAMBOULE' collection. The first ring on the left features a large, round, multi-faceted gemstone set in a bezel, surrounded by a ring of pearls and smaller stones. The middle ring has a large, dark, oval-shaped stone with a central green gemstone. The third ring on the right is a large, ornate ring with a central purple stone and intricate metalwork. Navigation arrows are visible on the left and right sides of the ring images.
